A ZZT GAZETTEER

collected, curated and sequenced by Adam Parrish
adam@decontextualize.com

Friday, April 8, 2011

These fragments are taken from a list of board names from every ZZT game on ztt.belsambar.net (as of November 2010). I sorted the list alphabetically, cutting and pasting sequences of interest.

More about ZZT: <http://en.wikipedia.org/wiki/Zzt>

See also Auntie Pixelante's excellent "ZZT Recommended Reading List": <http://www.auntiepixelante.com/?p=443>

Created for National Poetry Month. See <http://filthyditty.posterous.com> for more projects.
